

Beginner Digital Marketing Checklist

A practical checklist to define your audience, message, channels, offer, content plan, lead magnet, and measurement basics.

1. Foundation

- Define the outcome you want the website to create.
- Write one sentence explaining who you help.
- List the problem or desire your audience already has.
- Choose one primary offer or lead magnet for launch.

2. Audience

- Identify the beginner segment you want to serve first.
- Capture common objections and questions.
- Write down the words your audience uses to describe their problem.
- Select one primary channel where this audience already spends attention.

3. Brand and message

- Create a clear headline.
- Write a short trust statement.
- Avoid exaggerated income claims.
- Define proof points, values, and boundaries.

4. Content and conversion

- Plan three educational posts.
- Create one lead magnet CTA.
- Add a simple email capture form.
- Track visits, submissions, and downloads.
